

2024 UPMA ANNUAL CME FALL CONFERENCE (15 CME hrs)

October 17-19, 2024 at Homestead Resort In Midway, UT

Join us for the 2024 Fall Conference at the beautiful Homestead Resort in Midway, where you can stay in their relaxing rooms, golf, explore the homestead crater and enjoy the newly constructed pool. Connect with your colleagues for a feature-filled, 2-day conference covering a variety of topics to help your practice and receive CME credit. Explore innovative topics in biomechanics and sports medicine, trauma and reconstructive surgery, diabetes and wound care, and practice management. New this year, we are excited to offer a half-day, pre-conference coding and billing seminar where you can learn pearls to improve your practice's bottom line.

Through a combination of focus topic selection, panel discussions, and an emphasis on helping attendees develop effective thinking skills, the format of this conference will provide an optimal learning environment. The educational environment will draw on the collective experience of everyone and foster a greater learning experience. Attendees will leave this conference with valuable information to immediately affect their practices.

Presentations to Include the Following:

****Additional lectures forthcoming****

Richard Mann, D.P.M. - Understanding neuropathy and treatments

Margaret Hammond, M.D. - Dermatology

Clay Shumway, D.P.M. - Trauma and reconstruction

Brian Powell, M.D. - Trauma and reconstruction

Anna Hronek, D.P.M. - Wound care and the diabetic foot

Selina Sekulic, D.P.M. - Biomechanics and sports medicine

Matt Hobbs, D.P.T. - Rehabilitation of sports injuries

Anne Pendo, M.D. - Physician burnout and improving doctor's mental health

Brian Miller, Esq. - Surviving a deposition, Informed Consent

Robert Hoesch, M.D.,CMO, Intermountain-The future of medicine in Utah and the role of podiatry

Richard Williams, Ph.D. - Recognizing & managing your blindspots, Strategic vs. Tactical thinking in medicine

Pre-conference coding and billing seminar is a 1/2 day packed with exciting information to enhance your practice's bottom line. You will walk away with information about how to optimize E&M's, modifiers, surgical coding, wound care coding, and DME. The increase to your profitability will pay for the conference many times over. Advanced Data Systems will provide support for this conference. They have more than 35 years of podiatric billing experience.

Pre-Conference Coding and Billing Seminar to Include:

- Demystifying E&M coding
- Proper use of modifiers
- Wound care coding
- Off-weighting wounds and getting paid for it
- Biologics billing and coding
- Dermatology and biopsy coding
- Surgical billing and coding
- Hospital-based care billing and coding
- DME coding and compliance
- Home health and home-based care
- What codes and modifiers trigger chart reviews and audits?
- "Medically necessary"
- Mastering the 25 and 59 modifiers
- Level 4 E&M's in podiatry
- Understanding and strategizing care in the context of global periods
- Language and wording in your op reports to optimize reimbursement

*Lectures subject to change

Coding and Billing Pre Conference October 17th, Thursday. 1 pm to 6 pm

Physician \$150

Additional Office staff \$75

TOTAL _____

Hello!

My name is Camille Kiser, I wanted to introduce myself as the new executive director for the UPMA!

I graduated from BYU in 2011 and currently work part-time as a Registered Nurse at Riverton Hospital on their endoscopy unit.

When I'm not working I love hanging out with my 2 small children, we've been doing lots of paddleboarding and hiking this summer!

I look forward to meeting some of you at our upcoming CME conference in Midway! If you have children and it falls over their school fall break, bring the whole family! The Heber Valley railroad will be running their halloween and pumpkin trains that weekend, they can swim at the new pool at the hotel, go 4-wheeling, hiking and more. If you visit homesteadresort.com you can view more info about the hotel property and things to do there.

I look forward to working with all of you and doing all I can to make your membership with the UPMA worth while. Please feel free to call or text me anytime with any concerns or questions at 435-201-3334 or you can email me at podiatryut@gmail.com and I will get back to you promptly.

Camille Kiser

Camille Kiser, BSN, RN

UPMA Executive Director
